Shabbat in the Desert

Ancient Task:

Write and erase letters on pillars to mark their position so that it was easier to rebuild each tin

Creative activities (melochas) involved:

Writing Creating meaningful images

Erasing
Cleaning a surface to prepare for writers.

Find a melacha marked with a question mark. There is an activity that we rest from on Shabbat that is linked to this melacha. Find it and drag it in.

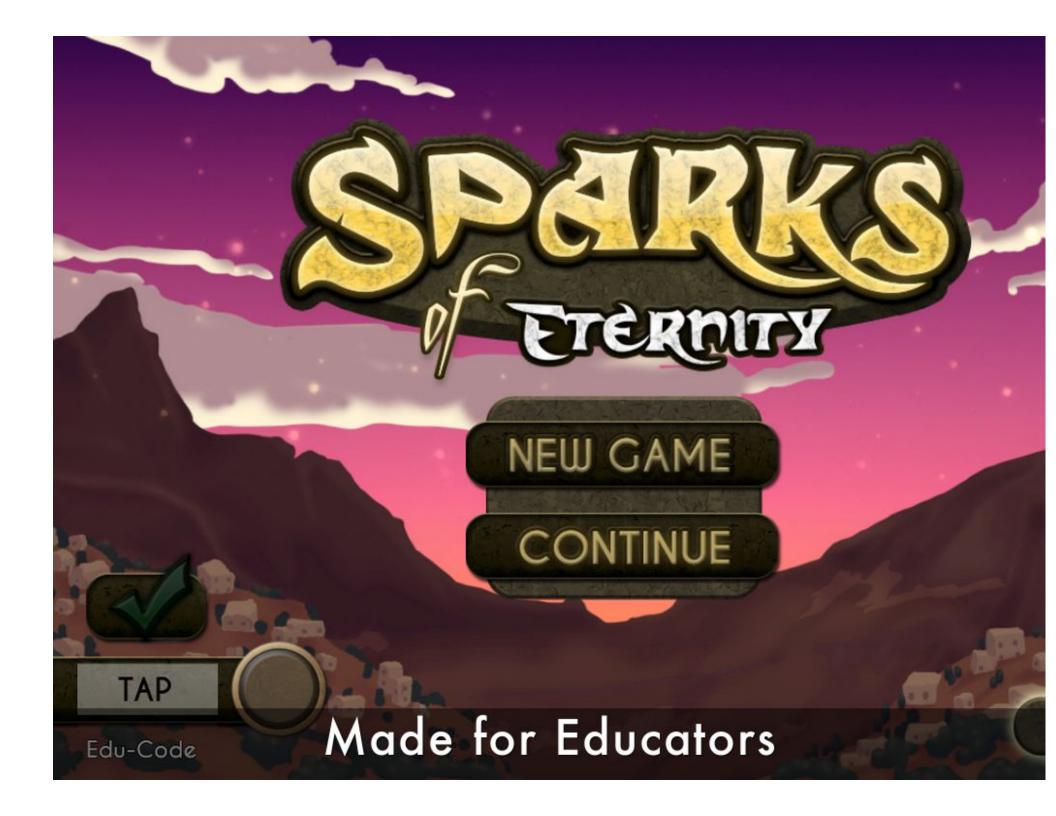

Glossary

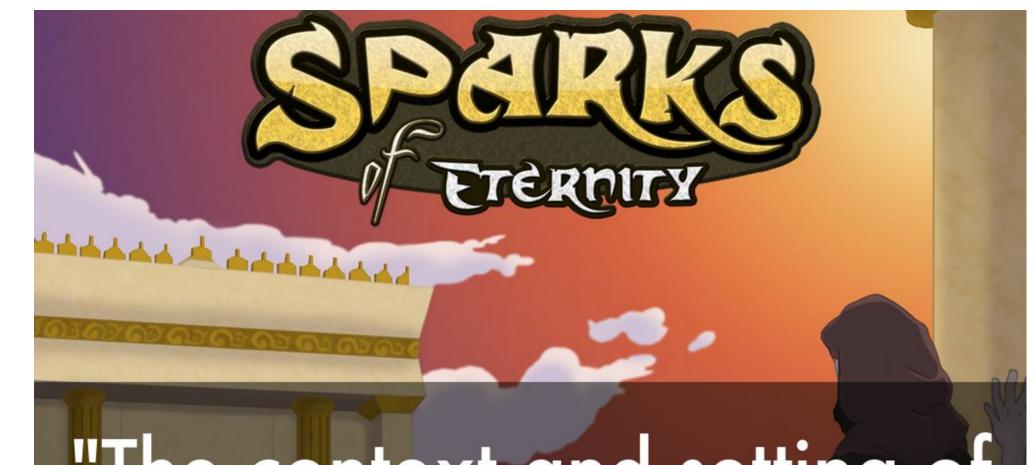

The Torah Shebichtav, or the Written Torah refers to the Torah scroll that is found in shuls. The written Torah was received by Moshe from G-d at Mount Sinai (Har Sinai), and during other prophetic moments. In book form it is also called the chumash, five books of Moses, or pentateuch.

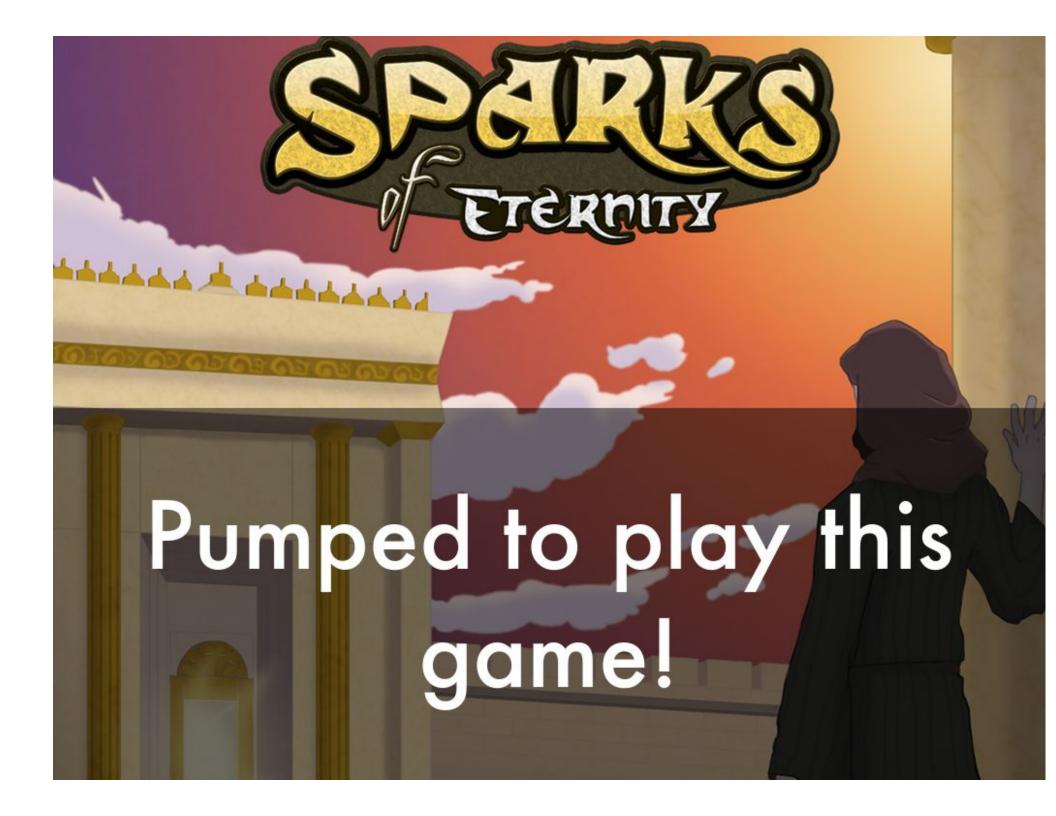

"The context and setting of the themes were all really valuable."
